To whom it may concern:

The South Okanagan Recope Society is a non-profit community based society located in Summerland, BC which we have supported for more than 20+years.

The South Okanagan Recope Society programs aligns with our mandate of providing funding for "treatment pertaining to specific medical diagnosis as provided by a non-institution or community based non-profit organization".

The programs offered by South Okanagan Recope Society are therapeutic and medically designed to help clients with medical challenges to "move better, feel better, live better" enabling them to re-enter the community as healthier citizens. Many of our members have or are currently participating in the South Okanagan Recope Society's programs.

The Summerland Health-Care Auxiliary recognizes the benefits of this program to the community of Summerland and financially supports the services provided by the South Okanagan Recope Society.

Your truly

Gloria Flaman: President of The Summerland Health-Care Auxiliary
